

# StrongStart

Early Learning Program for  
Parents/Caregivers and Children  
(Birth - 5 years old)

Hollyburn Elementary  
&  
Eagle Harbour Montessori

# What is StrongStart?

StrongStart BC programs provide rich learning environments designed for early learning development - language, physical, cognitive, social and emotional. Qualified early childhood educators lead learning activities where children find opportunities to make friends and interact with others of similar ages.

Participate with your young child (aged birth to five) in play-based early learning activities - including stories, music and art. This early learning drop-in program helps parents and caregivers support their child's learning and development.
