We are excited to welcome you to our West Vancouver School District community where your child will have endless opportunities to learn, grow and excel in a supportive and innovative environment.

Our school district's vision continues to be "to aspire to provide our students with the finest educational experience in the country and embrace the community values that make it possible: excellence, inclusivity, accountability, authenticity, innovation, community engagement, and happiness."

Inside your 'Welcome to Kindergarten' bag you will find the book, **'BE A BRIDGE'** - a story that reflects the values we nurture in our community. We encourage you to read it with your child and explore the power of kindness together.

We look forward to seeing you in September and hearing about your kindness adventures!
