Vaccination Status Reporting Regulation (VSRR)

As of July 1, 2019, parents and guardians in British Columbia are legally required to report the vaccination status of their school-aged children.

For more information please visit: [Vaccination Status Reporting Regulation \(VSRR\)](#).

Keeping immunization records up to date helps us provide the best care, recommend any missing immunizations, and respond effectively to disease outbreaks.

If you have any questions, please call 604-983-6811 to speak to a Public Health Nurse for Children and Youth.
