

Dear Families,

As we look ahead to the 2026–27 school year, I invite you to share your perspectives as we shape our district's budget priorities.

We welcome your input on the following questions:

1. What is currently working well in our district that you believe we should sustain or strengthen in the 2026–27 budget?
2. What new opportunities or evolving needs should the District consider as priorities for the coming year?
3. What guidance would you offer the District Leadership Team and Board of Education as we work to align resources with our community's goals for students and learning?

We kindly ask that all feedback be submitted via email to Karen Leeson ([kleeson@wvschools.ca](mailto:kleeson@wvschools.ca)) by Tuesday, March 3rd, 2026 (end of day). Please note that your feedback will become part of the public record and will be shared at a future Finance and Facilities Committee meeting in March or April. You may submit feedback individually or collectively.

The Provincial Government's budget will be announced in February, with school district funding allocations following in March. The Board of Education is required to finalize and approve the District budget no later than June 30th, and typically at their May meeting.

If you have any questions regarding the budget process or timelines, please feel free to reach out to me or our Secretary Treasurer, Julia Leiterman.

Thank you for taking the time to contribute to this important process. Your input helps ensure that our budget reflects the shared priorities of our community.
