POST-SECONDARY & CAREERS

Parents are invited to join our Post-Secondary and Careers evening, where our WVS expert panel will explore the world of higher education and career pathways. This event will provide you with valuable insights into program selection, application processes and how to best support your child's journey beyond high school.

Learn how to guide your child toward making informed decisions for their future. Don't miss this opportunity to gain the knowledge you need to help your child succeed!
