A Weekly Update of School Information For Parents and Guardians

June 12th, 2020

Great To See So Many Faces This Week

We had another great week of students in the building for in person instruction. It was great to see so many students connecting with friends and staff. The highlight of the week was seeing almost every grade 12 student in the building on Tuesday for the filming of their graduation video. The staff described just how nice it was to see all the Grads again as they donned their caps and gowns.

School Cash Online and Student Fees

Thank you if you have already had the opportunity to pay your child's school fees. A reminder notice will be coming by email this week and next from School Cash Online. If you need any assistance logging on please do not hesitate to contact our business manager Ms. Jenny Madill at jmadill@wvschools.ca or 604-981-1100 and she will be happy to help.

Do You Want To Hire a Student?

The Careers Department would like to post employment opportunities for companies owned by WVSS parents and community members to support our students. Should you be interested in hiring a student this summer, please contact us and we will share those opportunities via our WVSS app and Career courses.

Please email icaruth@wvschools.ca with any relevant details.
